**Dedicated to the teachings of E.L. "Buck" Perry
The Father of Structure Fishing**

The next meeting of the Illinois Spoonpluggers will be on Thursday, January 14, 2010 at 7:15 PM at the Elk Grove Village Public Library. Club meetings are held on the second Thursday of the month.

1. HOLIDAY PARTY- The annual Illinois Spoonpluggers Holiday Party was another success with 20 members attending plus many spouses. All who attended had a great time. We enjoyed some great fish stories and delicious pizza. Thanks again to Craig Hubbard for coordinating the evening for us this year.

2. UPCOMING MEETING/WINTER SEMINAR- At this month's meeting we will be doing most of the planning for the 8th Annual Illinois Spoonpluggers Winter Seminar. I will put together a more detailed flyer with all the details shortly after the January meeting.

3. CLUB DUES - The coming of the New Year also means that club membership dues are up. Dues remain unchanged at \$20

Buck Sez:

You must be in the proper frame of mind, if you are to experience the things which will allow you to progress. You will not accomplish this if you approach SPOONPLUGGING with a lack of confidence. Concern yourself with 'what you are doing' Not 'how many fish we are catching.' Catching fish will take care of itself.
